# OUR FACILITY

---

Looking to keep your boat in top condition while it's not in use? You've come to the right place! Tot Nautic is Mallorca's premier boat storage specialist.

- Our 6,000 sqm storage facility, conveniently located near Puerto de Andratx harbour, can accommodate boats of all sizes.
- 24/7 security with CCTV cameras and alarm systems year-round
- On-site fully equipped workshop for all your maintenance and repair needs.

# SERVICING

---

We offer first class maintenance and engineering services at our well-equipped workshop facilities. We are authorised official Mercury/MerCruiser and Volvo Penta service agents.

To guarantee year-round access to spare parts, we maintain a substantial inventory of engine components and specific parts for the brands we represent in our spare parts department.

**Feel free to ask about our convenient maintenance plans!**

We look after your boat – from pickup at the marina, transport, servicing, and storage, to returning your boat to its mooring – turnkey ready for the upcoming season.
